Learning Strategies (GLS)

This course focuses on learning strategies to help students become better, more independent learners. Students will learn how to develop and apply literacy and numeracy skills, personal management skills, and interpersonal and teamwork skills to improve their learning and achievement in school, the workplace, and the community. The course helps students build confidence and motivation to pursue opportunities for success in secondary school and beyond.

- Meet new friends in small classes
- Get comfortable with your new environment
- Get to know teachers and staff before the full school year begins
- Introduction to the North American teaching style
- Bring your skills up to a level that gives you confidence
- Improve your academic English
