SCHOLARSHIPS AT NCC

A scholarship is a grant or payment made to support a student's education, awarded on the basis of academic or other achievement. NCC internally funds four types of scholarships for students attending our school: Academic, Music/Art, Community Service and Athletic.

Other unique scholarships are also awarded which reflect the values and purpose of donors or founders of the scholarship. These types of scholarships can be created to either help the student pay for their education at NCC or to help pay for post-secondary education. Anyone can give to either NCC's general scholarship fund or work with NCC to create a scholarship with specific criteria.

Scholarships are important for students who attend NCC, as approximately 20% of our students receive scholarships to help them fund their education. Being able to offer scholarships helps NCC maintain a strong presence academically, compete in athletics, excel in the arts and attract young men and women of character to our school.

For more information on supporting the NCC scholarship fund or creating a custom scholarship, contact Scott Herron at: stherron@niagaracc.com or call: 905.651.8374.
