

STUDENT MEDIA CONSENT POLICY
MEDIA CONSENT FORM

Niagara Christian Collegiate has a *Student Media Consent Policy* in place. The Policy concerns:

- guarding school related content, establishing limits for dissemination, and providing permission for limited reproduction.
- dealing with media presence at the school for press releases, special events, and unexpected events.

This Media Consent Form meets a requirement in the Policy where parent permission must be obtained to distribute school-related content of or involving their child. This means that any information including, but not limited to, a child's name, pictures, productions (recordings, reports, images—electronically or otherwise), works, quotes, interviews, sport activities, fine arts, or anything that is the child's likeness cannot be reproduced, published, distributed, edited, modified, broadcast without the parents' permission. Your signature means the school can do all of those things and it means the school can invite the media for certain events involving your child or groups of children.

Your failure to sign or to refuse permission means the school has not received your consent to have your child's name and/or photo and/or work used or distributed or produced (that includes class pictures).

Please complete and return this form.
